Hello, I'm Travis®

Limitation of Liability

IN NO EVENT UNLESS REQUIRED BY APPLICABLE LAW OR AGREED TO IN WRITING WILL ANY COPYRIGHT HOLDER, OR ANY OTHER PARTY WHO MODIFIES AND/OR CONVEYS THE SOFTWARE AND HARDWARE AS PERMITTED ABOVE, BE LIABLE TO YOU FOR DAMAGES, INCLUDING ANY GENERAL, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE SOFTWARE AND HARDWARE (INCLUDING BUT NOT LIMITED TO LOSS OF DATA OR DATA BEING RENDERED INACCURATE OR LOSSES SUSTAINED BY YOU OR THIRD PARTIES OR A FAILURE OF THE PROGRAM TO OPERATE WITH ANY OTHER PROGRAMS), EVEN IF SUCH HOLDER OR OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Safety and Handling Information

Follow all instructions of "Safety and Handling Information" on our website.

Important Battery Information

Battery: Do not attempt to replace the built-in battery yourself, you may damage the battery, which could cause overheating and injury.

Charging: Charge the device with the USB cable provided.

Note: To ensure compatibility, only use accessories recommended by the manufacturer.

Recycling Packaging Materials

Observe the local regulations for how to dispose of the packaging materials.

Instructions for users on removal and disposal of used batteries:

For products with a built-in battery that lasts for the lifetime of the product, removal may not be possible for the user. In this case, recycling or recovery centers must handle the dismantling of the product and subsequent removal of the battery. Such a procedure should only be performed by authorized service centers. In the European Union and other locations, it is illegal to dispose of any battery with household trash. All batteries must be disposed of in an environmentally sound manner. Contact your local waste-management officials for information regarding environmentally friendly collection, recycling and disposal techniques for used batteries.

Warning: Danger of explosion if battery is incorrectly replaced. To minimize risk of fire or burns, do not disassemble, crush, puncture, or short the external electrical contacts. Do not expose the device to temperatures above 60°C, or dispose of in fire or water. Replace only with specified batteries.

"Separate collection" for all batteries and accumulators will be indicated by the crossed-out wheeled bin, shown below:

Regulatory

Regulatory information, certification, and compliance marks specific to Travis are available on Travis. Go to Setting > About > Regulatory.

FCC compliance statement

FCC ID: 2AL6P-TT201

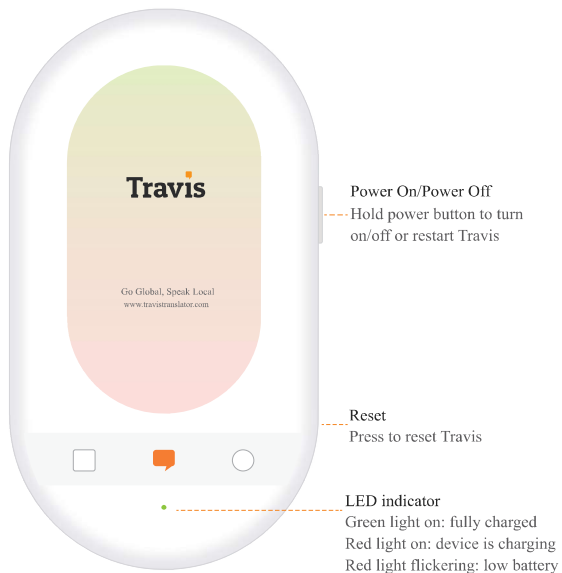

This equipment has been tested and found to comply with the ANSI C63.4, and part 15 of the FCC Regulations. This device complies with Part 15 of FCC rules; operation is subject to the following two conditions.

1. This device may not cause harmful interference
2. This device must accept any interference received, including interference that may cause undesired operation.

CE statement

This product complies with the council RTTE directive 99/5/EC. The CE marking is used to denote compliance with this directive.
